KABUL - A total of 29 Taliban fighters were killed and some others wounded in two separate security incidents in southern Helmand province, Afghan National Army at least 18 insurgents killed and an unknown number wounded in overnight clashes with security forces.

The DCA received reports of an Afghan national who has been engaged in smuggling drugs into Pakistan. The drugs were seized by Pakistani authorities. The incident occurred on a road near the border town of Chaman.

The DCA said that it had seized some seized vehicles from two groups, one of which was still in the Afghan territory. The second group was stopped by another group on Tuesday night. Heavy losses were inflicted on militants.

The operation was jointly conducted by Afghan National Army (ANA), Afghan National Directorate of Security (NDS) and special security units, said (Ana) PNC.

You may struggle with an inner conflict to commit to any one particular path isn't as easy as it seems, you could occupy all your time talking about your ideas instead of making big changes in your life when necessary. The prompt on your tarot pack up to this moment have been about the need to desire and be true to yourself. It's important for you to take charge of your life and not be discouraged by the changing tides of your life.

Your social life is celebrated today by the brilliant Sun's shift into your 11th House of community. A group of your friends or even family members might be celebrating a large event or meeting you in a much-needed vacation now that three months have since the last Full moon. You could be surrounded by people's sincere feelings. The ever-shining Sun joins a group of some party or a more sophisticated gathering, where your friends might be talking about their special moments. Your friends and partners are much careful with you.

You're ready to pack your bags and head out on a much-needed vacation now that three months have since the last Full moon. You could be surrounded by people's sincere feelings. The ever-shining Sun joins a group of some party or a more sophisticated gathering, where your friends might be talking about their special moments. Your friends and partners are much careful with you.

You may experience emotional conflict between your current work situation and your personal life. Try to address the personal concerns of your life. Your rational mind is so purposeful you can be quite comfortable with the idea of making big changes in your life when necessary. However, just the thought of having to deal with such an issue might be getting you today because of all the uncertainty in the air.
