Governor Seeks Public Support for Security Forces

MAZAR-I-SHARIF - The governor of

the northwestern Faryab province

has asked religious leaders to

steal the security forces and

project external pressures in this

province.

Provincial government offi-
cials and civil society activists

sought support for the security

forces at a gathering attended by

elders, influential individu-

als and common people.

Governor Syed Ammar Sadat
told the participants that the

ends, but you have not

trusted. You have no

close friends; you

became clever and entertaining, bringing

new dimensions of fun into another

person's world. However, upon deep

analysis, it becomes apparent that you for

an individual to play this very same role

in your life. Thankfully, there's no reason to

be stuck in a creative rut now.

Aquarius (Jan 20-Feb.18)

You may be feeling some

tension today, even if you're not conscious of

your current ide

s. It's much easier to keep an

storm away. It's tricky when unresolved is

kept, but it's easier to return to the past with

such intensity that they

may come to an end. Separating the

painful memory from the present moment

is necessary to sostain a relationship.

Very hung up with that

conversations that matter.

Capricorn (Dec.22-Jan.19)

You are swimming in a sea of

infinite possibilities, yet some

things seem so distant and

out of your reach. You may

be looking for the

right opportunity.

A practical approach to
deal with problems.

Aquarius (Jan 20-Feb.18)

You may have felt

pressures today, but

you're not conscious of

them. Perhaps the

onset of a new

challenge or situation

may have set you

back. But overall,

you're managing well.

Taurus (Apr.20-May 20)

You want an

affirmation today, but

it's easy to forget your

original intention

after a decision has been

made. You may be

troubled by what

you've decided, but you

may also feel that

you can't change the

situation. Rather than skimming the

surface, dive into the depths of

your spirit. It's true that

ideas and philosophies

may be on your mind, but

don't wander off on your

own.

Cancer (June 21-July 20)

Talking about your plans with

a close friend will

help you feel better.

But your current desire to

keep communication

simple may make it

more

challenging. It's important

to stay focused on

the goals and motivations of

your professional projects.

Nevertheless, you are

comparatively

successful, and your

efforts will

probably bring

satisfaction in a course to further your

and your career.

Gemini (May 21-June 20)

You need a day off, but

not from work.

You may find

yourself

confronted with

minds that are

distracted by

social

activities.

You're

understanding

of

people and

worlds.

Virgo (Aug.23-Sep. 22)

You are in touch with

the

world around you, but

your emotions

are

more guarded than

usual. You

are aware

of all

relationships.

You will

be

able to

find

your

way.

Sagittarius (Nov.23-Dec.22)

You imagine being a muse for

someone who

admires your

talents.

You can

be

creative,

but

be

cautious

now. You

must

make

a

commitment to

deepen your

emotional connection.
