Libra (Sep 23-Oct. 22)

On the surface it appears that you’re just another sociable type, but underneath your cool and collected exterior, you’re actually deeply emotional. You’re quite capable of bottling up your feelings, but a loss of control threatens to bring your world crashing down. You’re very sensitive and easily hurt, so you must be careful not to allow yourself to be taken advantage of.

Scorpio (Oct.23-Nov.22)

You’re a complex person, and you may be too much for people to handle. Even if you’re a miserable human, you’re also a human, and you’re not afraid to show it. You may not always be the most popular person, but you’re honest and true to yourself.

Sagittarius (Nov.23-Dec.22)

Focusing your dreams and actions appropriately can’t be achieved until you remember that you have others to think about. You’re not a selfish person, but you do have a right to your own well-being, and you must not neglect it.

Capricorn (Dec.22-Jan.19)

You want to buckle down and take care of business, but everyone wants to see what you’re made of. Just as you’ve been expecting to hear, there’s actually a wave on the horizon. Your priorities may not be the same as everyone else’s, but you’ll feel comfortable if you don’t have to worry about their approval.

Aquarius (Jan.20-Feb.18)

There are no limits on the power of your plates. Parallelly, the more you ac-

with, the more is to do. No matter how hard you work, people expect more. You can’t seem to entertain as you continue to float into inner space. You might be able to get away from work and drifting in and out of focus, you could capitalize on your imagination by applying a splash of creativity. You might not be able to pre-

Taurus (Apr.20-May 20)

It takes time to realize how much is going on your plate, but you’re making good progress. You’re doing well by your own timeline, but it’s an integral part of the peace process now.
