KABUL - Samar, addressing a conference “Nationals, medics, elders and others,” said that establishing peace in the country was related to fighting corruption.

UNAMA Probe Finds 10 Civilians Were Killed in Kunduz Airstrikes

KABUL - United Nations Assistance Mission in Afghanistan (UNAMA) on Wednesday has found that at least 10 civilians were killed in airstrikes in Kunduz province, in Afghanistan’s northeast, early Saturday.

“The impunity culture paves ground for more corruption, a phenomenon that expands when there is no accountability,” she said, stressing a serious commitment for eliminating “...More on PN-46...”

Ghani Orders Probe into Pak Diplomat’s Death in Jalalabad

HERAT CITY - Provincial council members in western Herat province on Wednesday claimed security forces knew whereabouts of terrorists, but they were reluctant to take action.

He criticized the government and said “We do not know why the government is silent about this act of Pakistan.”

Afghanistan via Iran through shipping its first consignment of wheat to Afghanistan on October 29, bypassing longtime rival Pakistan.

India plans to send seven shipments of wheat to Afghanistan through Iran’s southeastern Chabahar Port by the end of January, Reuters reported. India launched a trade route to Afghanistan via Iran through Chabahar Port by the end of January.

Afghanistan U19s off to Malaysia for Asian Cup

KABUL - Afghanistan’s U19 cricket team is on its way to Malaysia for the U19 Youth Asia Cup which is scheduled to be held from 9-20 November, Afghanistan Cricket Board said in a statement on Wednesday.

Two security workers, including one woman, and 20 others were injured in this incident. "The EU Delegation presents its condolences to the families of the victims and its sincere wishes of recovery to those who were injured," said the EU Delegation to Afghanistan. "We don’t know who’s responsible for that, but it’s pretty clear that was terrorism. It is disgusting; it is wrong," the State Department spokesperson said.

"Think about the number of years that has been spent in Afghanistan, the blood that has been shed, the money that has been spent in Afghanistan. We are committed to trying to find a peaceful solution to Afghanistan, but recognize that the government of Afghanistan will have..."
