**IS Plans to Create Emirate in Afghanistan: Russia**

SOCHI - Plans of the Islamic State, an international terrorist organization affiliated in Russia, to establish a province in northern Afghanistan pose a threat to Central Asian states, Iran and China, Yevgeny Serdyuk, a deputy chief of Russia's Federal Security Service and chief of the administration of the National Anti-terrorist Committee, said on Tuesday. “The Islamic State is stepping up its positions in Afghanistan. Its leaders in January 2015 declared the creation of the Khurasan emirate,” he said at the 7th regional conference of the International Association of Prosecutors for Central and Eastern European and Central Asian states. “Under these plans, Afghanistan is to become a starting point for creating a new province of the Islamic State quasistate that is to be included along with Afghanistan the territories of Uzbekistan, Turkmenistan, Tajikistan, Iran and China’s northeastern provinces.”

Another factor of increased threat is the fact that a number of terrorist groups acting in Afghanistan, such as the Islamic Party of Turkmenistan, have joined the Islamic State, which creates prerequisites for recruiting... (More on P.4)
