processes accountable to the people through proper democratization of irresponsibly. The need of time is to make the political institutions and comes of the processes, which will further generate controversies.

Another issue of unaccountability arises when a system is made person- that they can win the election even without the consent of the people, through illegal ways, they will never remain accountable to the people and would not care much about the public opinion. Afghan political scena- at the moment, in facing almost a similar sort of situation.

One of the basic ways the people can participate in the affairs of the state is through the political parties. The political parties are the custodians of the actual or assumed political traits. This property is mostly found in skirts and authorities. In the absence of democratic institutions, it is basically the remnants of the monarchs that could be found long in favor of institutions. The institutions, which can play a dominant role in establishing demo- basically the remnants of the monarchies that could be found long ago in
