Several militants were killed and wounded during the clash and the Afghan forces escaped unharmed, but eyewitness Mohammad Sarhadi Zwak, the governor of Nangarhar province, told Pajhwok Afghan News that the attack happened around 9:00am on Abdul Khalil’s vehicle.

Civil Hospital Director Jamil Farooq told Pajhwok Afghan News that all the injured had been delivered to the hospital in time.

The statement said that the commander had told his subordinates not to fire until the insurgency activities in the province and added that he also reiterated government employees and tribal elders.

The statement did not provide further details about the operation. (Tehranews)

The statement also said that the现货 had escaped unharmed and that the operation was conducted by NDS and the Afghan forces.

The statement further said that two Daesh militants had been killed and wounded in the province.

Afghan forces are involved in most of the insurgency activity in the eastern Helmand province, with each side claiming to have inflicted casualties on the other.
