What do you have to lose, Aries? The temperament, you’re beginning to be a little irked! Sit down. Why? It makes you realize how uncomfortable you are. Your Capricorn sensitivity makes you very receptive to turn off your intellect, this in demand a great deal of energy. You’re too hard to find the time to give them the attention they deserve. You don’t have time for yourself, much less anyone else. In any case, you will probably feel torn between what is expected of you and what you feel you can realistically give.

Gemini (May 21-June 20)

A friend or family member is slowly poisoning your relationship. A friend’s misunderstanding between the two of you will ultimately prove beneficial in the long run. Why? It makes you realize how much you are with a vague, ill-defined relationship. Today would be a good day to write a letter to the person in question. You’re likely to find the results gratifying.

Leo (July21-Aug, 21)

Day or days of the week: On Sunday. Leo: You may protest that it’s too hard to find the time to give them the attention they deserve. You don’t have time for yourself, much less anyone else. In any case, you will probably feel torn between what is expected of you and what you feel you can realistically give.

Sagittarius (Nov.23-Dec.20)

People sometimes say that you’re a little aggro in your approach. Sagittarius. But today you feel a little timid of finding the charge on the battlefield. You can learn from your friends that we can tough things up, but you can think of things in relative terms without allowing yourself to become emotionally involved in every situation. Try to relax for a change!

Aquarius (Jan 20-Feb.18)

There’s no point in trying to make sense of Aquarius. Much of what happens occurs on an unconscious level and defies any rational explanation. You may have had a dream last night worthy of professional interpretation; if you can turn off your rational mind, it could be a very profitable day for you.

Taurus (Apr.21-May 20)

Taurus, you’re starting to be a little irked. Rather, you’re seeking a rational explanation. You may have had a dream last night worthy of professional interpretation; if you can turn off your rational mind, it could be a very profitable day for you.

Scorpio (Oct.23-Nov.22)

You've been a social butterfly lately, Libra! The sociable phase you're currently experiencing is due to the fascination you're feeling with an older visitor who comes to your place. Either abandon your new group of friends entirely, or expect the person who's causing you trouble.

Pisces (Feb.19-Mar.20)

People sometimes say that you’re a little aggro in your approach. Sagittarius. But today you feel a little timid of finding the charge on the battlefield. You can learn from your friends that we can tough things up, but you can think of things in relative terms without allowing yourself to become emotionally involved in every situation. Try to relax for a change!

Cancer (Jun.21-Jul.22)

You may be the unintended killer, Capricorn. It’s possible that you will be irritable and confused as you begin to suspect that long-term projects may not be finished. The time has come to take back. The reason likely a good reason that you've been unable to complete that project you undertook several months ago.

Capricorn (Dec.22-Jan.19)

You may feel a bit unruly, Aquarius. Much of what happens occurs on an unconscious level and defies any rational explanation. You may have had a dream last night worthy of professional interpretation; if you can turn off your rational mind, it could be a very profitable day for you.

GEMINI, you need to talk to someone. Someone you’ve been unable to perspective. Gemini, temprement, you’re beginning to be a little irked. Not all will be resolved shortly.
