**KARL - The Ministry of Education continues its efforts to bring transparency and curb corruption in establishing mobile phone说出来。**

The Ministry of Education and the Ministry of Communication and Information Technology signed contracts for mobile phone salary payments of 119,000 teachers with two telecommunication companies in Kabul in December. The contract for monthly salaries of 4,000,000 Afghani teachers from Kandahar was signed with Afghan Wireless and another contract for 7000 teachers from Herat, Balkh, Baghlan, Badakhshan and Ghor provinces was signed with Rohsam.

A pilot phase of the mobile salary payment scheme started six months ago in Parwan, Nangarhar and Kandahar provinces, covering 32,000 employees of the Ministry of Education including teachers. The process has proven successful and is now being expanded, said the acting education minister Mirwais Balkhi.
