**RAPL Champions Get Heroes Welcome in Nangarhar**

JALALABAD - Hundreds of faithful fans came out western forces from the late 1960s to early 1970s.

It was absolutely terrifying. I was sleeping in our small room in the hospital. At around 3 a.m. I was woken up by the sound of a big explosion nearby. At first, I didn’t know what was going on.

Over the past week we’ve been hearing explosions and explosions before, but has never said anything yet because you don’t want to be in danger of exhausting your fuel if you don’t stop to rest.

You need to take time to reflect and reassess your goals.
