In addition to this, 40 checkpoints in Tim Khet and ISOF checkpoints were also handover to Taliban without any clash. (Tolnews)

11) Afghan security forces have been suffering since Thursday through scores of attacks from other guerrilla groups, and several accounts from others, who speak of the US military and ISOF, out of food, water and medicine, and further also the deepening of the situation among the locals and the anger building towards ISOF, said President Ashraf Ghani.

Disputing those accounts, many Afghans believe that the recent attacks on civilians have been carried out by Islamic State groups. They say the number of Islamic State fighters in the north and west of Kabul is about 1,000. It is said that two ISOF谄犯 were killed and two others wounded in the ISOF attack on the Shahr Wali Kot district after a bomb they had exploded. (AP)
