Faryab Man on Run after Killing Newlywed Bride

MAINAMA - A man killed his newlyweds in the capital of northern Faryab province, police sources said on Sunday.

Sources at the provincial police headquarters said the 19-year-old woman was killed last night by her spouse about a month after their marriage.

The husband had fled and police had arrested his parents for investigation, they said.

1 Killed, 12 Wounded in Uruzgan Violence

TIRINKOT - One security personnel was killed and nine civilians and three security men were wounded in two separate blasts in central Uruzgan province, a senior media said on Sunday.

A bomb-eggled motorcycle went off in the provincial capital, Tirinkot, late on Saturday night, injuring one policeman and nine civilians, said Dr. Zia Rah-

nor, main doctor at the civil hospital.

He said one of the wound-

Two shops in Parwan were closed on Saturday due to roadblocks, according to local officials.

Several Shops Reduced to Ashes in Parwan

CHARIKAR - Several shops were gutted in a fire incident in the Sayh Gird area of central Parwan province on an official said on Saturday.

The fire broke out in a gas selling shop on Fri-
day afternoon and spread quickly to nearby shops containing wood, food, garment and oil, said Young Acid, the district head.

He said the fire took hours to put out and the shop owners suffered hundreds of thousands of afghanis losses.

A member of the provincial council, Abdul Rahman, said they demanded help from neighbor-

ing Kapisa and Panjsher provinces in exting-

ishing the blaze.

However, a source said several shops were re-
duced to ashes in the fire due to the late arrival of the fire brigade. (Pajhwok)

Outlook Horoscope

Aries (Mar. 22-Apr. 20)

You are eager to share your insights today, but your feelings don't seem to fit into anyone else's. You might be a loner, not knowing where to start or how you will make your point until you begin talking. Thankfully, you are not making a formal presentation like you would at school or at work.

Taurus (Apr. 20–May 20)

Your fantasies are like cornices that dangle at the end of a stick. You are eager to be one but they seem just out of reach.

Cancer (June 21–July 20)

You are eager to be involved and accept the fact that you are not required to know everything about everything. Fortunately, there is plenty of valuable information in your disposal today, and it's up to you to put it to good use. However, discerning the truth from a lot of garbage can be difficult, but with a bit of patience, you'll be able to make sense of the data.

Leo (July 21–Aug. 21)

Your self-esteem is under attack and you are not sure what others think of you, but your real problem is you are not measuring yourself correctly. If you are falling short of your own expectations now, you might jump to a conclusion based on your assumption that everyone is thinking less of you.

Virgo (Aug. 22–Sept. 22)

You are eager to move into a new situation today when talking with a close friend as you like the fact that you are being treated simply as a friend today, not as your usual self. You are eager to make a new start.

Libra (Sept. 23–Oct. 22)

You are eager to seize the day and advance your career. However, you might be concerned that your communication skills are impeccable, but you are not likely doing as well as you think. You are not as likely to be doing as well as you think.

Sagittarius (Nov. 23–Dec. 21)

You are eager to make a new start. You are eager to move beyond old habits and start fresh.

Capricorn (Dec. 22-Jan. 19)

You are eager to share your insights today, but your feelings don't seem to fit into anyone else's. You might be a loner, not knowing where to start or how you will make your point until you begin talking. Thankfully, you are not making a formal presentation like you would at school or at work.

Aquarius (Jan. 20-Feb. 18)

Your fantasies are like cornices that dangle at the end of a stick. You are eager to be one but they seem just out of reach.

Pisces (Feb. 19-Mar. 20)

Your self-esteem is under attack and you are not sure what others think of you, but your real problem is you are not measuring yourself correctly. If you are falling short of your own expectations now, you might jump to a conclusion based on your assumption that everyone is thinking less of you.
