Afghan Man Assailed in Germany for Wearing Crucifix

BERLIN - Berlin police say an Afghan man was attacked in the German capital by a group of assailants who yelled a crucifix necklace off him and then said he would become a Christian.

Police said that after ripping off the necklace in the Monday night attack, one assailant threw it to the ground and then punched the 25-year-old man who'd been wearing it multiple times in the face. The other attackers then held the victim while the other stabbed him twice in the upper body.

The victim called friends, who alerted police and rescue crews. He was treated in a hospital and then released. His name and religion weren't disclosed.

Berlin police spokesman Stefan Petersen said Tuesday that investigators had no more details about the attackers to release. (AP)

Another Islamic Scholar Killed in Nangarhar

JALALABAD - Local officials on Tuesday claimed Taliban's attack on the Barg-i-Matal district of eastern Nangarhar province ensured for ICRC staff the source said, refusing to give further details regarding the decision that was made on Monday.

The office would not reopen until security was ensured for ICRC staff the source said, refusing to give further details regarding the decision that was made on Monday.

The office would not reopen until security was ensured for ICRC staff the source said, refusing to give further details regarding the decision that was made on Monday.

Another Islamic scholar was killed in Behsud and Changhar districts – two Tilab and another by Danish militants.

The latest incident took place in Changhar district where Taliban fighters killed a mosque imam on Monday night in Kanai area around 11pm, said the government’s spokesman.

Sajidul Khogayi told Pajhwok Afghan News the mosque was sleeping in the mosque when came under attack.

Five days back, an Imam was killed by unidentified armed men in Dago area where he was walking to the mosque for evening prayers.

Another Islamic scholar was killed in Behsud district in road ink in a secret operation of the perpetrators.

Farah Fights in Nangarhar Drone

KABUL - The Taliban insurgents have lost foreign fighthers tonight in their raids during an airstrike in eastern Nangarhar province of Afghanistan.

According to the local officials, the militants were killed during an airstrike conducted by the foreign forces on Monday.

The officials further added that the US unmanned aerial vehicles targeted the militants in the vicinity of Jalalpur district.

The provincial government media office in a statement also confirmed that three foreign insurgents fighting in the Tilab raids were killed on Monday.

The officials further added that the militants killed in the airstrike have been identified as Australian, Pakistani and Indians.

The militaries were involved in various terrorist - (More on P1-23)

Outlook Horoscope

Aries (Mar. 21-Apr.20)

You can talk your way out of a situation; it all depends on how you continue to mount. Although you might think everything is a piece of cake, a reality check is in order. Look at your schedule reveals the hard facts. Fortunately, your workload is quite manageable as long as you're able to recognize your past patterns and how they influence your current commitments.

Cancer (June 21-July 20)

Cancer, you might have some on your plate that you can't handle. Fortunately, your current overload is a bit, at least partially, your own doing, since you probably didn't think it through. There's no excuse to complain or blame others when you're already trying to knock your way through it.

Libra (Sept.23-Oct.22)

Libra, there are thoughts you want to express but you're scared of putting them out in the open. You are protective of your feelings, but you're also afraid to share them about until they are further along in their development. You hope to enjoy your visit to your home and perhaps take a drive to a favorite spot for time now.

Scorpio (Oct.23-Nov.22)

You're quite cautious now as you strategize for your future. You have a clear picture where you're headed, but can't seem to escape the obvious obstacles in your path. Although your thinking is quite concrete today, your tendency to concentrate on the negative can be exaggerated, as you can be self-defeating at times.

Sagittarius (Nov.23-Dec.21)

Sagittarius, you're not the type to give in when there's enemy today or if you are so enamored with your current spirit but isn't fulfilled. You have a tendency to cross boundaries that are set in your 2nd House of Self Worth.

Capricorn (Dec.21-Jan19)

Capricorn, although you may feel like your life is going exactly where you want it to go, paradoxically, a part of the reason could be that you are not following any existing inclusion. Claim your power by anchoring your behavior allowed the current dynamic to develop.

Aquarius (Jan.20-Feb.18)

Aquarius, your friends appear to be involved in a secret conspiracy that doesn't involve you. Although you might think they are a social outcast. Paradoxically, a part of the reason could be that you are not following any existing inclusion. Claim your power by anchoring your behavior allowed the current dynamic to develop.

Gemini (May 21-June 20)

Gemini, you can't talk your way out of a situation; it all depends on how you continue to mount. Although you might think everything is a piece of cake, a reality check is in order. Look at your schedule reveals the hard facts. Fortunately, your workload is quite manageable as long as you're able to recognize your past patterns and how they influence your current commitments.
