Pakistan's New Government Vows to Strengthen Pak-Afghan Ties, Regional Security

Pakistan's Foreign Minister Shah Mehmood Qureshi met with the Chief Executive of the Unity Government of Afghanistan, Abdullah Abdullah during his visit to Kabul, delivering the message of the new government of Pakistan in support of regional security.

According to ARG Palace, the unity government leaders and Ustad Sayyaf held talks on key national issues, including anti-terrorist and political security policies.

The statement did not elaborate on the issue discussed during the meeting but the moves are seen as underplaying for the revival of an Afghan-led peace process. (AFP)

Mohib Inaugurates Training Programme for Afghan Pilots in US

KABUL - National Security Advisor Hamdullah Mohib, during his official visit to the US, inaugurated a six-month training programme for Afghan pilots, his spokesman said on Saturday.

Qader Shah, spokesman for the National Security Council (NSC), said Pajhwok Afghan News 31 pilots would be trained on flying AC fighter aircraft, technical, fighting and other locations.

Mohib thanked the US for the opportunity and shared his thoughts with the Afghan pilots. AC fighter jets, equipped with modern fighting capabilities, have been chosen after considerations of the war in Afghanistan.

He held the pilots they would help protect the common people against terrorists after completing. (More on P4)

Pakistan Delivers 280 Tonnes of Wheat to Afghanistan

The wheat delivery coincided with Foreign Minister Shah Mehmood Qureshi’s visit to Kabul, where he met President Ashraf Ghani, Chief Executive Dr. Abdullah and other Afghan officials. (Pajhwok)
