**“Caring for All Life Under the Sun”**

**By Darab Ali Ayari**

In 1991, Aung San Suu Kyi was known as the Nobel laureate who defended the Nobel Prize in Peace for 21 years in Myanmar. Since then, she was under house arrest. To be released from the house arrest and honored to get the Nobel Peace Prize, the Myanmar government undertook some demonstra-
tion and the protection of ethnic minority group. She was freed and quite well from the Myanmar (Burmese) of the 2016 anti-war victory. Her victory came as the rights of minorities, especially the ethnic minority Rohto-

Realize to go against the factors that can harm it. Such views have their importance but taking care of environ-
