Afghan Forces Recapture District in Ghazni, Taliban Set Alight District Headquarters in Northern Takhar

KLALIB - The government forces in crackdown against Taliban fighters have recaptured Jاغاتhu district in the eastern Ghazni province while the armed militants attacked security forces in the Zari district.

Daud Malik Ahmad aka Abu Zar, a Taliban-designated chief deputy to Helmand’s governor, was killed along with several of his associates and another 13 militants in the operations against Taliban fighters in the Zari district.

The statement added the operations were launched after Taliban militants attacked security check-posts in the district.

Two uprising members were also killed and four others wounded in the operations, the military statement said.

The Taliban have not yet commented about the casualties.

7 of a Family Dead as Rickshaw Plunges into River

KABUL - Seven members of a family were killed on Sunday morning when their rickshaw plunged into a river in the Kabul-Jalalabad highway in central Kabul province, an eyewitness said.

Hasrat Abdullah, the eyewitness, told Pajhwok Afghan News that the incident happened in Mahpar area of Sar-e-Sang district.

The statement further added the security forces had rescued 11 others wounded and nine more militants have been arrested.

The presidential election is scheduled for September 28. Insecurity is worsening in the province.

A number of members of the Helmand provincial council are calling on government forces to work harder to secure the polling stations, and to protect voters in the area.

“We want operations to increase in Hel- land so people can vote safely,” Attallah Allahyar, Helmand’s provincial council, said.

The Ministry has also announced that security forces will be on alert during election day and will work to secure polling stations, and to protect voters in the area.
