of election materials began a month ago and we completed this process based on the recommendations of the Election Commission’s secretariat, said Admiral Yamamoto. According to IEC figures, 431 out of 5537 centers will be closed on the election day.

According to IEC figures, 431 out of 5537 centers will be closed on the election day.

Meanwhile, IEC officials said they could not hire women employees for 450 centers in the province of Parwan, which has 11,000 villages. Therefore, the officials said the IEC is doing its best to hire elderly men for these stations.

According to the Ministry of Interior, as many as 137 security personnel of the National Defense and Security Forces will be deployed on election day to ensure the security of the process. Moreover, almost 20,000 to 30,000 forces will be available as reinforcements.

Figures by the Election Commission reveal that almost 9.6 million people have registered as candidates for the upcoming elections, in which 15 candidates are contending. (Tolo News)

The government planned to set up a ballot and elect representatives in a peaceful and democratic manner, says Haji Tadamichi Yamamoto, the Secretary-General’s Special Representative for Afghani
tstan.

In a meeting on Dehla in Tuesday, Ya

mamoto reiterated the United Nations call for all parties to be engaged in a peace
activity that would interfere with the elections. He expressed confidence in the safety of voters and all other civil
ians engaged in the election.

Yamamoto, who is also the head of the UN Assistance Mission in Af
ghanistan (UNAMA), said the election is a civilian undertaking. He highlighted that attacks directed against women’s offices and civilians participating in the electoral process are clear violations of international law and that the Afghan government must do its utmost to prevent them.

He furthermore stressed that prero
tection of elections is a shared responsibility and urged the Taliban to retract any instructions which could disturb or hinder the elections.

Meanwhile, the International Committee of the Red Cross has raised the alarm over the humanitarian situation in the country.

The campaign period has been marked by sporadic attacks, including the recent
attacks that have caused heavy loss of civilian life. Last week, on 27 September, the Taliban responsibility for a suicide attack in Kabul that killed 13 and wounded another 40. The official death toll in Kabul is reported to be 14
in the past 24 hours.
