BEIJING - China and the United States can compete but should not view each other with a Cold War mentality and should avoid thinking it is a zero-sum game, the Chinese government said, amid deteriorating ties between the superpowers.

BEIJING - China and the United States can have competition but should not use it as a Cold War mentality to view each other, and nor should they slip into the trap of a zero-sum game," he told the audience. "We call upon you to keep the situation in Yemen and on the top of the priority list, but we cannot use Cold War mentality to view each other, and nor should they slip into the trap of a zero-sum game," he said.
